BDP.

Dear Sir / Madam

LANCING VILLAGE CENTRE REGENERATION VISION

We are writing to let you know that Adur District Council and Lancing Parish Council have joined forces to commission a study which will form a regeneration vision for Lancing village centre and seafront. BDP has been appointed to carry out the research drawing on our expertise and experience of working in Sussex; including Littlehampton, Worthing and Shoreham-by-Sea. The vision will provide a strategy for regenerating the village centre, identifying land use zones and measures to stimulate economic growth, as well as transport, visual and streetscape improvements. It will also include an action plan for putting the proposals in place.

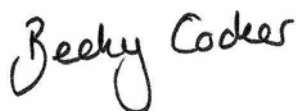

To make this happen, consultation with the Lancing community and businesses will be central to the project to ensure that the proposals reflect the hopes and needs of the community. Our first step is to get a clear understanding of the issues, opportunities and aspirations of the local communities. There are two ways in which we are doing this:

1. There will be a **consultation surgery in the Parish Hall on Thursday 2nd and Friday 3rd February 2012 from 10am through to 4pm**. If you would like to come and talk to us, either as an individual or on behalf of an organisation, please contact us to arrange a half an hour slot where we will be able to talk to you one on one.
2. We will also be holding a **drop in session from 5pm to 7pm on Thursday 2nd February 2012** at the Parish Hall where anyone can come along and talk to the team without an appointment.

Please contact us if you would like to be involved in either of these, or simply kept informed of progress. You can do this by calling us on 02078128980, emailing becky.cocker@bdp.com or by returning the attached form. Please also look out for regular updates provided on the Parish Council website at <http://www.lancingparishcouncil.gov.uk/> and on the Adur and Worthing Regeneration facebook page at http://www.facebook.com/pages/Adur-and-Worthing-Regeneration/277684372284224?ref=tn_tnmn.

If you require any further information in the meantime please do get in touch. We look forward to hearing from you.

Yours sincerely

Becky Cocker
Town Planning Associate
