AMC is a medium sized family business which has been trading 35 years. We provide our customers with all sorts of metal works and powder coatings.

We are looking for experienced Mig / Tig Welders to work on Mild/Steel, Aluminium and Stainless Steel. The successful candidates will be working on a broad range of varied components and tasks which makes for a varied job roll.

### **Requirements for the Role:**

- Essential to be competent at MIG welding
- TIG and stick experience an advantage, but training will be provided if required
- Experience of fabrication and working to technical drawings
- Forklift experience an advantage
- Hardworking and the ability to work at a good pace
- Flexible can-do attitude
- Ability to work on own initiative.

### **To Apply:**

Please forward your CV and covering letter explaining how you feel you would be suitable for the role via email to:

Tony Twigger Managing Director email: [tony.twigger@amcsheetmetal.com](mailto:tony.twigger@amcsheetmetal.com)
