

Job Title: Driver	Reference: HR use only
Department: Transport	Hours: 48 hours – per week 5 from 7 days
Location: Worthing	Grade: Ungraded

Reporting to: Transport Manager

**Bidfood has just invested £12 Million in a state of the art depot in Lancing.**

**Due to this we are now recruiting Category C drivers to deal with the expanding new depot.**

The chances are you'll have eaten our food, so why not share our success and come and work for us? We're a great company to work for and we have permanent opportunities for drivers to become part of the transport department in our Worthing depot.

We're a leading wholesale food distributor covering the whole of the UK, the preferred supplier for over 60,000 customers and our business is still growing.

#### **What does this mean for you?**

It means you can expect an excellent working environment, job security, fantastic development opportunities, and a great salary and benefits package. Not only this, but being a multi-drop role, it will help you keep fit as you're often out of the cab, meeting customers, and being the face of our business to so many people. Our customers rely on you to feed their customers so the arrival of our lorry is always a welcome sight.

#### **A bit about the role**

You'll be delivering food and non-food products to our customers in multiple locations throughout the day. The route can vary on a day-to-day basis but there will also be regular customers, meaning there's a good mix of both variety and familiarity, which our drivers appreciate.

This role will cover 5 days out of 7. This means that you will work some Saturdays, but not all. This is worked on a rota basis with our other drivers.

#### **A bit about you**

You'll possess a Category C LGV Licence. You'll also enjoy a challenge and care about helping our customers succeed and taking pride in being the face of our company to so many people every day.

#### **What we can offer you**

**£32,408 OTE Plus Overtime**

30 days holiday

Free parking

Exclusive range of over 4,000 high street discounts

Personal accident insurance

Healthcare cash plan

Pension and life assurance

Training and ongoing development as well as free CPC training

#### **Want to know more?**

You can apply by sending your CV to [PaulEdgington@bidfood.co.uk](mailto:PaulEdgington@bidfood.co.uk), or posting to:

Name and job title: Paul Edgington, Transport Manager

Address:

Bidfood,

32 Chartwell Road,

Lancing Business Park, BN15 8TU

Alternatively you can pop into the depot and fill out an application form. We may keep your application on file for a period of 6 months so we can contact you if another vacancy comes up.
