

R&D Tax Consultant

Monday to Friday - £Dependent on experience - Full Time – Permanent

We work with businesses to explore if they are eligible to apply for R&D Tax Credits to invest in Research & Development and help the business grow. We provide a tailored service from initial advice, all the way through to managing the application process for the business.

We are looking for an additional person to join our small but rapidly growing organisation on a permanent basis.

This position would suit a part-qualified/qualified Tax Consultant or Accountant with at least 3 years' experience of processing CT600s. Who has excellent report writing skills and the ability to communicate effectively to clients. We require experience in UK Corporation tax, including experience in losses.

The role will be working 37.5 hours per week, Monday to Friday with 25 days holiday per year plus public holidays.

To apply for this role please forward your CV by [clicking here](#) or feel free to contact us for further information.
